MORGAN CREEK
GOLF & COUNTRY CLUB

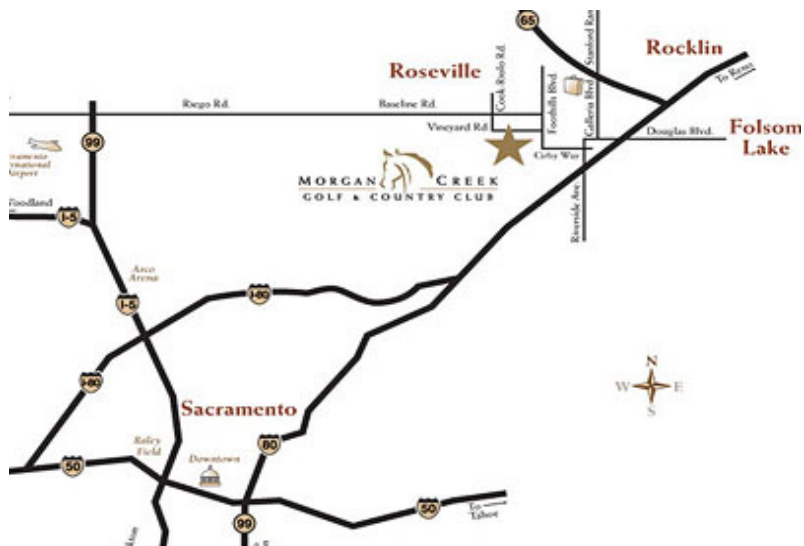

It's been a year since **Morgan Creek Golf & Country Club's Grand Pavilion** opened its doors, and it was a great year! This spectacular facility offers breathtaking views of the lake, a flowing fountain, and rolling greens through floor-to-ceiling windows. The Pavilion accommodates small and large groups, and is ideal for weddings, parties and meetings. Morgan Creek is a private club that also features an immaculate 18-hole golf course, a pool & cabana, and an array of activities for members and guests. Every year, the club is proud to host many returning charity tournaments. Golfweek Magazine voted Morgan Creek the best new golf course in America in 2006, and readers of the Press-Tribune named Morgan Creek the number one golf course in Roseville and Granite Bay!
