Tables: Each table sits 12 people (including children). This is a great opportunity to gather everyone at your company on one evening, without the expense of throwing your own holiday party. Also, reserved tables are placed in the most favorable locations. If you purchase a total of at least 12 tickets (including children), we will automatically reserve a table for you. If the total you purchase is divisible by 12, we will automatically reserve that amount of tables for you (e.g. order 24 tickets, we will reserve 2 tables for you, order 36 tickets we will reserve 3 tables for you, etc.) Specifically reserved Tables seating 12 adults are available by advance purchase only, and may not be purchased at the door.

Photos with Santa: Each family will be allowed to have one photo taken with Santa. Additional photos are only \$5.00 each and must be ordered in advance. For example, if you want each of your children to have a photo taken with Santa, you will need to order one extra photo per child. To order, mark how many extra photos you want in the space provided below in the Tickets section.
